

Superintendent Search During Covid-19

March 17, 2020

Homewood Families,

In light of the uncertainties created by the Covid-19 pandemic, Dr. Bill Cleveland is temporarily delaying his retirement as Superintendent of Homewood City Schools. The Board of Education is thankful for his continued leadership as we navigate through this difficult situation in our community, state, and nation.

Please continue to monitor your phone, email, HCS app, and the Homewood City Schools' website for future messages from the school system regarding Covid-19.
